REQUEST FOR QUALIFICATIONS**

**Greenville Spartanburg International Airport (GSP)
Roofing Projects**

Request For Qualifications (RFQ) are desired by the Greenville-Spartanburg Airport District to qualify Contractors for Roofing Construction projects currently in design. RFQ responses will be received at:

Shepard & Associates, LLC
3547 Dreher Shoals Road, Suite 6
Irmo, SC 29063

Attention: Becki Anderson

RFQ responses must be submitted by 2:00 PM on Friday, March 9, 2018. RFQ responses received after the stated time will not be accepted.

Send RFQ's referencing Background, Experience, and References related to the following items: Finished Roofing, Reroofing, and Recover Roofing.

Roofing Construction projects currently in design are Flexible Sheet Membrane (FSM), but future projects could include other facets of roofing techniques and related work, so it is desired for RFQ responses to also reference qualifications related to Low-Sloped Built-Up (BUR), Modified Bitumen, High-Sloped Metal Panel, Asphalt and Fiberglass Shingle, as well as and Metal, Bituminous, and FSM flashings. Responses should also discuss experience with roofing projects related to Airport Districts.

Interested firms MUST complete the AIA Document A305-1986 provided in the RFQ package, as posted on the GSP website.

Direct all inquiries to: Shepard & Associates, LLC, Becki Anderson (becki@shepardandassociates.us) or by telephone at (803) 407-8284.
