LANDSCAPE MASTER PLAN
APPENDIX 6.6
APPROVED PLANT LIST

NOVEMBER 20, 2015

PREPARED BY

GSP Approved Plant List
10-27-2015

COMMON NAME	BOTANICAL NAME	STREET TREE USAGE	NATIVE	EVERGREEN	COMMENTS
CANOPY TREES					
American Beech	Fagus grandifolia	C/D	X		Long-lived specimen tree
American Holly	Ilex opaca	D	X	X	
American Sycamore	Platanus occidentalis	A/D	X		Use along streams and buffers, inconvenient litter
Ash, Green (spp)	Fraxinus pennsylvanica	B/D	X		Use sparingly
Ash, Green Georgia Gem	Fraxinus pennsylvanica "Oconee"	B/D	X		
Ash, Green Patmore	Fraxinus pennsylvanica "Patmore"	B/D	X		
Ash, Green Urbanite	Fraxinus pennsylvanica "Urbanite"	B/C/D	X		
Ash, White	Fraxinus americana	B/D	X		Use sparingly
Black Walnut	Juglans nigra	A/D	X		Do not use near pedestrian pathways
Blackgum	Nyssa sylvatica	A/B/D	X		Excellent Fall Color
Buckeye, Yellow	Aesculus flava	A/D	X		Do not use near pedestrian pathways
Cedar, Brodie	Juniperus virginiana "Brodie"	D	X	X	
Cedar, Eastern Red	Juniperus virginiana	D	X	X	
Cherry, Black	Prunus serotina	D	X		
Common Persimmon	Diospyros virginiana	D	X		Do not use near pedestrian pathways
Cypress, Bald	Taxodium distichum	A/B/C/D	X		
Cypress, Pond	Taxodium ascendens	A/B/C/D	X		
Deodar Cedar	Cedrus deodara	A/D		X	
Elm, Allee	Ulmus parvifolia "Emer II"	C			Good urban tree
Elm, Athena	Ulmus parvifolia "Emer I"	C			
Elm, Bosque	Ulmus parvifolia "UPMTF"	C			
Elm, Drake	Ulmus parvifolia "Drake Chinese Elm"	C			
Elm, Lacebark	Ulmus parvifolia	C			Good urban tree
Elm, Princeton	Ulmus americana "Princeton"	B/C/D	X		
Elm, Slippery	Ulmus rubra	D	X		
Ginkgo (Male Only)	Ginkgo biloba	B/D			Excellent Fall Color, Use male trees only
Hickory, spp	Carya spp.	A/D	X		Not for use near pedestrian pathways
Kentucky Coffeetree	Gymnocladus dioicus	D	X		
Linden, American	Tilia americana	A/B/D	X		Do not use in parking areas
Magnolia, Southern	Magnolia grandiflora	A/B/C/D	X	X	Keep Limbs full to ground. Do not "limb-up"
Maple, Armstrong	Acer rubrum "Armstrong"	B/C/D	X		
Maple, Autumn Blaze	Acer x freemanii "Jeffer's Red"	B/D	X		Excellent Fall Color
Maple, Red Autumn Flame	Acer rubrum "Autumn Flame"	B/D	X		Excellent Fall Color, Avoid using in Parking Islands
Maple, Red October Glory	Acer rubrum "October Glory"	B/D	X		Excellent Fall Color, Avoid using in Parking Islands
Maple, Red Sunset	Acer rubrum "Franksred"	B/D	X		Excellent Fall Color, Avoid using in Parking Islands
Maple, Sugar	Acer saccharum	B/D	X		Excellent Fall Color, Avoid using in Parking Islands
Maple, Sugar Green Mountain	Acer saccharum "Green Mountain"	B/D	X		Excellent Fall Color
Maple, Sugar Legacy	Acer saccharum "Legacy"	B/D	X		
Oak, Bur	Quercus macrocarpa	A/D	X		Long-Lived & durable. For large spaces only
Oak, Chesnut	Quercus prinus	A/B/D	X		
Oak, Live	Quercus virginiana	A/D	X	X	Specimen Tree
Oak, Northern Red	Quercus rubra	A/B/D	X		
Oak, Nuttall	Quercus nuttalli	A/B/D	X		
Oak, Overcup	Quercus lyrata	B/D	X		
Oak, Post	Quercus stellata	A/D	X		
Oak, Scarlett	Quercus coccinea	A/B/D	X		Excellent Fall Color
Oak, Shumard	Quercus shumardii	A/B/D	X		

GSP Approved Plant List
10-27-2015

COMMON NAME	BOTANICAL NAME	STREET TREE USAGE	NATIVE	EVERGREEN	COMMENTS
Oak, Southern Red	Quercus falcata	A/D	X		
Oak, Swamp White	Quercus bicolor	A/B/D	X		
Oak, White	Quercus alba	A/B/D	X		Long-lived and durable. For large spaces only.
Oak, Willow	Quercus phellos	B/D	X		Use Sparingly
Oak, Willow Hightower	Quercus phellos "QPSTA"	B/C/D	X		Use Sparingly
Oak, Willow Wynstar	Quercus phellos "QPMTF"	B/C/D	X		Use Sparingly
Pine, Loblolly	Pinus taeda	D	X	X	
Pine, Longleaf	Pinus palustris	D	X	X	
Sourwood	Oxydendron arboreum	D	X		Excellent Fall Color. Four-Season Tree
Tulip Poplar	Liriodendron tulipefera	A/B/D	X		For large spaces only
Yellowwood	Cladrastis kentuckea	D	X		Summer flowers.

UNDERSTORY TREES

Amur Maple	Acer ginnala				
Paperbark Maple	Acer griseum				
Japanese Maple (spp)	Acer palmatum				
Red Buckeye	Aesculus pavia		X		Spring Flowers, Do not use near pedestrian pathways
Serviceberry (spp)	Amalanchier arborea (spp)		X		Four-season Tree
American Hornbeam	Carpinus caroliniana		X		
Sweetbay Magnolia	Magnolia virginiana		X	X	Fragrant Flowers
Redbud	Cercis Canadensis		X		
Fringetree	Chionanthus virginicus		X		
Chastetree	Vitex agnus-castus				
Dogwood (spp)	Cornus florida (spp)		X		
Kousa Dogwood	Cornus kousa (spp)				
Crape Myrtle	Lagerstroemia spp.				Summer Flowers, Use appropriate cultivar for space
Star Magnolia	Magnolia stellata				
Saucer Magnolia	Magnolia x soulangiana				
Crabapple	Malus spp.		X		
Hophornbeam	Ostrya virginiana		X		
Yoshino Cherry	Prunus x yedoensis				
Stewartia	Stewartia spp.		X	X	
Snowbell	Styrax japonicus				
Trident Maple	Acer buergeranum				
Yaupon Holly	Ilex vomitoria		X	X	Winter berries

DECIDUOUS SHRUBS

Dwarf Abelia	Abelia x prostrata				
Blue Mist Shrub	Caryopteris x clandonensis "Longwood Blue"				
Summersweet	Clethra alnifolia		X		
Bigleaf Hydrangea	Hydrangea macrophylla				
Oakleaf Hydrangea	Hydrangea quercifolia		X		
Forsythia	Forsythia x intermedia				
Dwarf Fothergilla	Fothergilla gardenii		X		Excellent Fall Color, Spring flowers
St Johns Wort	Hypericum spp				
Winterberry Holly	Ilex verticillata		X		
Sweetspire	Itea virginica		X		

GSP Approved Plant List
10-27-2015

COMMON NAME	BOTANICAL NAME	STREET TREE USAGE	NATIVE	EVERGREEN	COMMENTS
Spirea	Spirea spp.				
Compact Koreanspice Viburnum	Viburnum carlesii "Compactum"				
Shasta Viburnum	Viburnum plicatum spp.				
Beautyberry	Callicarpa americana		X		
Sweetshrub	Calycanthus floridus		X		
Piedmont Azalea	Rhododendron canescens		X		
Knockout Rose	Rosa x "Knockout"				
Blueberry	Vaccinum spp.		X		

EVERGREEN SHRUBS

American Boxwood	Buxus sempervirens spp			X	
Boxwood	Buxus spp.			X	
Plum Yew	Cephalotaxus spp.			X	
Inkberry Holly	Ilex glabra		X	X	
Dwarf Yaupon Holly	Ilex vomitoria "Nana"		X	X	
Carissa Holly	Ilex cornuta "Carissa"			X	
Winter Daphne	Daphne odora			x	Fragrant Winter Flowers
Otto Luyken Laurel	Prunus laurocerasus "Otto Luyken"			X	*Drip irrigate only (no spray heads)
Mrs Schillers Dwarf Viburnum	Viburnum obvatum "Mrs Schillers"			X	
Encore Azalea	Azalea "Encore"			X	
Florida Anise	Illicium floridanum		X	X	
Mountain Laurel	Kalmia latifolia		X	X	
Japanese Aucuba	Aucuba japonica			X	
Camellia	Camellia japonica			X	
Sasanqua camellia	Camellia sasanqua			X	
Cleyera	Ternstroemia gymnanthera			X	
Fatsia	Fatsia japonica			X	
Fragrant Tea Olive	Osmanthus fragrans			X	
Loropetalum	Loropetalum spp.			X	

GROUND COVER

Pachysandra	Pachysandra spp.		X	X	Part to Full shade, prefers moist fertile soil
Asian Jasmine	Trachelospermum asiaticum			X	Full sun to Part shade. Fast growing. Clip annually
Carolina Jessamine	Gelsemium sempervirens		X	X	Full sun to Shade. Can be used on steep banks
Carpet Bugle	Ajuga reptans			X	Full sun to part shade. May become invasive in turf.
Cast Iron Plant	Aspidistra elatior			X	Full shade only. May be too tall for some areas.
Plumbago	Ceratostigma plumbaginoides				Full Sun. Mow to ground in late winter
Cheddar Pink	Dianthus gratianopolitanus			X	Full sun. Attractive blooms in spring
Juniper	Juniperus species		X	X	Full sun. Many varieties available
Creeping Phlox	Phlox subulata			X	Full sun. Blooms in spring
Holly Fern	Cyrtomium falcatum			X	Shade only
Lily of the Valley	Convallaria majalis			X	Shade. Spreads vigorously.
Creeping Rosemary	Rosmarinus officinalis "prostrata"			X	Full sun. Do not overwater
Mondo Grass	Ophiopogon japonicus			X	Part sun or Shade. Grass-like appearance

GSP Approved Plant List
10-27-2015

COMMON NAME	BOTANICAL NAME	STREET TREE USAGE	NATIVE	EVERGREEN	COMMENTS
Muhly Grass	Muhlenbergia spp.		X	X	Full sun. Pink blooms in late summer
Autumn Fern	Dryopteris erythrosora			X	Part to full shade. Tough fern for urban sites.
Liriope	Liriope species			X	Full sun to shade. Grass-like appearance.

Note: This list is not entirely comprehensive, but meant as a guide. Substitutions may be made provided they are accepted by GSP.

ANNUALS

Annuals for Hot, Dry Locations

All annuals will need watering attention while becoming established. These are the most likely to survive some neglect once well rooted.

African Daisy (*Dimorphotheca*)
 Annual Vinca (*Catharanthus roseus*)
 Calliopsis (*Coreopsis tinctoria*)
 Cosmos (*Cosmos* species)
 Creeping Zinnia (*Sanvitalia procumbens*)
 Dusty Miller (*Senecio cineraria*)
 Gaillardia (*Gaillardia pulchella*)
 Globe Amaranth (*Gomphrena globosa*)
 Gloriosa Daisy (*Rudbeckia hirta*)
 Gold Medallion (*Melampodium paludosum*)
 Moss Rose (*Portulaca grandiflora*)
 Snow-on-the-Mountain (*Euphorbia marginata*)
 Spider Flower (*Cleome hasslerana*)
 Verbena (*Verbena* species)
 Zinnia (*Zinnia* species)
 Summer Snapdragon (*Angelonia angustifolia*)

Annuals That Thrive in Heat

These annuals will also tolerate very hot weather, but do best with additional soil moisture.

Blue Daze (*Evolvulus glomerata*)
 Castor Bean (*Ricinus communis*)
 Cockscomb (*Celosia argentea*)
 Cypress Vine (*Ipomoea quamoclit*)
 Dahlia (*Dahlia* species and hybrids)
 Fan Flower (*Scaevola aemula*)
 Flowering Tobacco (*Nicotiana* species)
 Four o'clock (*Mirabilis jalapa*)
 Hyacinth Bean Vine (*Dolichos lablab*)
 Joseph's Coat (*Amaranthustricolor*)
 Mexican Bush Sage (*Salvia leucantha*)
 Mexican Heather (*Cuphea hyssopifolia*)
 Mexican Sunflower (*Tithonia rotundifolia*)
 Moon Vine (*Ipomoea alba*)
 Morning Glory (*Ipomoea* species)
 Salvia (*Salvia* species)
 Silk Flower (*Abelmoschus manihot*)

Starflower (*Pentas lanceolata*)
Sunflower (*Helianthus annuus*)

Annuals for Shade or Part Shade

Most annuals need at least 6 hours of sun to flower well, although many will tolerate shade in the afternoon, if they have had a full morning of sun. These annuals will bloom with less sun, although all will need some sun for flowering. Those marked with a * will tolerate the most shade.

Ageratum Begonia (*Begonia* species)
Caladium (*Caladium* species)*
Coleus (*Solenostemon scutellarioides*)
Forget-me-not (*Myosotis sylvatica*)
Impatiens (*Impatiens* species)*
Edging Lobelia (*Lobelia erinus*)
Monkey Flower (*Mimulus hybridus*)*
Woodland Tobacco (*Nicotiana sylvestris*)
Pansy (*Viola x wittrockiana*)
Wishbone Flower (*Torenia fournieri*)*

Annuals for Moist Soil

No annuals will grow in water-logged soil, but the following will tolerate damper conditions than others.

Forget-me-not (*Myosotis sylvatica*)
Monkey Flower (*Mimulus hybridus*)
Blue Woodruff (*Asperula orientalis*)
Caladium (*Caladium* species)

Annuals for Poor Soil

Annual Vinca (*Catharanthus roseus*)
Calliopsis (*Coreopsis tinctoria*)
Cockscomb (*Celosia argentea*)
Cornflower (*Centaurea cyanus*)
Cosmos (*Cosmos* species)
Four o'clock (*Mirabilis jalapa*)
Gaillardia (*Gaillardia pulchella*)
Gold Medallion (*Melampodium paludosum*)
Joseph's Coat (*Amaranthus tricolor*)
Mexican Sunflower (*Tithonia rotundifolia*)
Moss Rose (*Portulaca grandiflora*)
Nasturtium (*Tropaeolum majus*)

Purple Fountain Grass (*Pennisetum setaceum*)
 Spider Flower (*Cleome hasslerana*)
 Verbena (*Verbena* species)

Hardy & Half-Hardy Annuals

Those marked with a * can be sown as seed in the fall. The others are planted as transplants either in the fall, late winter or early spring.

Allysum (*Lobularia maritima*)*
 Annual Lobelia (*Lobelia erinus*)
 Annual Phlox (*Phlox drummondii*)*
 Cornflower (*Centaurea cyanus*)*
 Delphinium (*Delphinium* species)
 Dianthus (*Dianthus* species)
 English Daisy (*Bellis perennis*)
 Flowering Cabbage and Kale (*Brassica oleracea*)
 Foxglove (*Digitalis purpurea* 'Foxy')*
 Johnny-jump-up (*Viola tricolor*)
 Larkspur (*Consolida ambigua*)*
 Monkey Flower (*Mimulus hybridus*)
 Nasturtium (*Tropaeolum majus*) - seed in early spring.
 Pansy (*Viola x wittrockiana*)
 Poppy (*Papaver* species)*
 Pot Marigold (*Calendula officinalis*)*
 Snapdragon (*Antirrhinum majus*)
 Stocks (*Matthiola incana*)*
 Sweet Peas (*Lathyrus odoratus*)*

Annuals That May Reseed Year After Year

Alyssum (*Lobularia maritima*)
 Calliopsis (*Coreopsis tinctoria*)
 Cornflower (*Centaurea cyanus*)
 Cosmos (*Cosmos* species)
 Flowering Tobacco (*Nicotiana* species)
 Forget-me-not (*Myosotis sylvatica*)
 Four o'clock (*Mirabilis jalapa*)
 Hollyhock (*Alcea rosea*)
 Impatiens (*Impatiens* species)
 Johnny-jump-up (*Viola tricolor*)
 Larkspur (*Consolida ambigua*)
 Morning Glory (*Ipomoea tricolor*)
 Moss Rose (*Portulaca grandiflora*)
 Petunia (*Petunia* species and hybrids)
 Poppies (*Papaver* species)

Silk Flower (*Abelmoschus manihot*)
Snow-on-the-Mountain (*Euphorbia marginata*)
Spider Flower (*Cleome hasslerana*)
Zinnia (*Zinnia* species)

Fragrant Annuals

Alyssum (*Lobularia maritima*)
Dianthus (*Dianthus* species)
Four o'clock (*Mirabilis jalapa*)
Heliotrope (*Heliotropum arborescens*)
Moonflower (*Ipomoea alba*)
Flowering Tobacco (*Nicotiana* species)
Nasturtium (*Tropaeolum majus*)
Petunia (*Petunia* species)
Stocks (*Matthiola incana*)
Sweet Peas (*Lathyrus odoratus*)
Sweet William (*Dianthus barbatus*)
Wallflower (*Erysimum* species)
Sweet Sultan (*Centaurea moschata*)

Large Bold Annuals

Joseph's Coat (*Amaranthus tricolor*)
Castor Bean (*Ricinus communis*)
Cosmos (*Cosmos* species)
Hollyhock (*Alcea rosea*)
Woodland Tobacco (*Nicotiana sylvestris*)
Purple Fountain Grass (*Pennisetum setaceum*)
Sunflower (*Helianthus annua*)
Mexican Sunflower (*Tithonia rotundifolia*)
Spider Flower (*Cleome hasslerana*)

Trailing Annuals

Licorice Plant (*Helichrysum petiolatum*)
Trailing Verbenas (*Verbena* species)
Geranium, Ivy-leaved (*Pelargonium* species)
Fan Flower (*Scaevola aemula*)
Nasturtium (*Tropaeolum majus*)
Trailing Lantana (*Lantana montevidensis*)
Petunias, Cascade and Wave series

Annual Vines

Black-eyed Susan Vine (*Thunbergia alata*)
Cardinal Vine (*Ipomoea x multifida*)
Cup and Saucer Vine (*Cobaea scandens*)
Cypress Vine (*Ipomoea quamoclit*)
Hyacinth Bean Vine (*Labiab purpureus*)
Love-in-a-Puff (*Cardiospermum halicacabum*)
Moonflower (*Ipomoea alba*)
Morning Glory (*Ipomoea tricolor*)
Nasturtiums (*Tropaeolum majus*)
Purple Bell Vine (*Rhodochiton atrosanguineum*)
Scarlet Runner Bean (*Phaseolus coccineus*)
Spanish Flag (*Mina lobata*)
Sweet Pea (*Lathyrus odoratus*)

PERENNIALS

Perennials for Shade

Those marked with a * will tolerate the most shade.

Acanthus mollis Bear's Breech
Alchemilla mollis Lady's Mantle
Amsonia tabernaemontana Blue Star
Anemone species
Aquilegia species Columbine
Arum italicum Painted Arum *
Asarum species Wild Gingers *
Aspidistra elatior Cast Iron Plant *
Astilbe x *arendsii* Astilbe
Begonia grandis Hardy Begonia
Bergenia cordifolia Heartleaf Bergenia
Brunnera macrophylla Siberian Bugloss
Carex elata Golden Sedge
Ceratostigma plumbaginoides Plumbago
Chelone obliqua Turtlehead
Chrysogonum virginianum Green and Gold
Cimicifuga species Bugbane
Convallaria majalis Lily-of-the-Valley *
Cyclamen species Hardy Cyclamen
Dicentra species Bleeding Heart
Digitalis species Foxglove
Epimedium species Barrenwort *
Ferns * (most)
Galium odoratum Sweet Woodruff *
Geranium maculatum Wild Cranesbill
Gillenia trifoliata Bowman's Root
Helleborus foetidus Bearfoot Hellebore
Helleborus orientalis Lenten Rose
Heuchera species Coral Bells
Hosta species Plantain Lily
Iris cristata Crested Iris
Lamium maculatum Spotted Dead Nettle *
Lobelia cardinalis Cardinal Flower *
Lobelia siphilitica Great Blue Lobelia *
Mertensia virginica Virginia Bluebells *
Myosotis sylvatica Forget-me-not
Phlox divaricata Wild Sweet William

Phlox stolonifera Creeping Woodland Phlox
Polygonatum species Solomon's Seal *
Primula species Primrose
Pulmonaria species Lungwort *
Salvia koyame Japanese Yellow Sage
Saxifraga stolonifera Strawberry Begonia
Shortia galacifolia Oconee Bells *
Sisyrinchium angustifolium Blue-Eyed Grass
Smilacina racemosa False Solomon's Seal
Spigelia marilandica Indian Pink
Thalictrum species Meadow Rue
Tiarella species Foam Flower *
Tradescantia virginiana Spiderwort *
Tricyrtis species Toad Lily *
Trillium species Wake Robin *
Viola species Violet *

Tolerant of Moist or Damp Soils

Those marked with a * will tolerate wetter soils.

Acorus gramineus Sweet Flag *
Aster novae-angliae New England Aster
Astilbe x arendsii Astilbe
Canna species Canna *
Carex species Sedge *
Chelone species Turtlehead *
Cimicifuga species Bugbane
Colocasia esculenta Elephant's Ear *
Crinum species Milk and Wine Lily, Crinum
Cyperus alternifolius Umbrella Sedge *
Eupatorium purpureum Joe-Pye Weed
Filipendula species Meadow Sweet
Galium odoratum Sweet Woodruff
Helianthus angustifolius Swamp Sunflower *
Hemerocallis species Daylily
Hibiscus species Rose Mallow, Confederate Rose
Hibiscus coccineus Texas Star *
Iris ensata Japanese Iris *
Iris virginica Blue Flag*
Iris laevigata *
Iris hybrids Louisiana Iris *
Ligularia species Golden Ray *
Lobelia cardinalis Cardinal Flower *
Lobelia siphilitica Great Blue Lobelia *
Matteuccia pensylvanica Ostrich Fern

Monarda species Bee Balm
Myosotis sylvatica Forget-me-not
Osmunda regalis Royal Fern *
Physostegia virginiana Obedient Plant
Primula species Primrose
Tradescantia virginiana Spiderwort
Zantedeschia aethiops Calla *

Perennials for Hot, Dry Conditions

Achillea species Yarrow
Agapanthus africanus Lily-of-the-Nile
Agave parryi Hardy Century Plant
Andropogon species Bluestem Grass
Artemisia species Artemisia
Asclepias tuberosa Butterfly Weed
Baptisia species False Indigo
Belamcanda Blackberry Lily
Coreopsis species Coreopsis
Cortaderia selloana Pampas Grass
Delosperma cooperi Hardy Ice Plant
Festuca ovina Blue Fescue
Gaillardia species Blanket Flower
Gaura lindheimeri Gaura
Helianthus species Perennial Sunflower
Hemerocallis species and hybrids Daylily
Hesperaloe parviflora False Red Yucca
Iris hybrids Bearded Iris
Kniphofia uvaria Red Hot Poker
Lantana species Lantana
Lavandula x intermedia Provence Lavender
Liatris species Gayfeather
Limonium latifolium Sea Lavender
Nepeta species Catmint
Oenothera species Evening Primrose, Sundrops
Opuntia humifusa Prickly Pear Cactus
Perovskia atriplicifolia Russian Sage
Phlomis species Jerusalem Sage
Rudbeckia species Black-eyed Susan
Ruellia brittoniana Mexican Petunia
Salvia greggii Texas Sage
Santolina species Lavender Cotton
Sedum species Stonecrop
Sempervivum tectorum Hens & Chickens
Solidago odora Sweet Goldenrod
Stachys byzantina Lamb's Ear

Verbena species
Yucca species

Perennials for Poor, Sandy Soil

Achillea species
Anthemis tinctoria
Asclepias tuberosa
Baptisia species
Belamcanda chinensis
Euphorbia species
Gaillardia species
Gaura lindheimeri
Hemerocallis species
Hesperaloe parviflora
Lantana species
Plumbago auriculata
Salvia greggi
Setcreasea pallida
Yucca species

Attractive Foliage

Those marked with a * are gray or silvers that tolerate heat and humidity.

Acanthus species
Alchemilla mollis
Artemisia 'Powis Castle'
Baptisia species
Chrysanthemum pacificum
Cynara cardunculus
Delosperma cooperi
Dianthus gratianopolitanus
Helleborus orientalis
Heuchera species
Hosta species and hybrids
Iris pallida 'Variegata'
Lamium maculatum
Marrubium incanum
Opuntia humifusa
Ornamental Grasses
Phlomis fruticosa
Polygonatum species
Pulmonaria species
Santolina chamaecyparissus
Sedum species

Sempervivum tectorum Hen-and-chicks
Stachys byzantina 'Big Ears' Lamb's Ear *
Teucrium fruticans Silver Germander *

Perennials That Can Be Invasive (Only plant in confined spaces)

Aegopodium podagraria Goutweed
Ajuga Bugleweed
Artemisia ludoviciana Western Mugwort
*Arundinaria species*Bamboo
Arundo donax Giant Reed
Bambusa species Clumping Bamboo
Campanula rapunculoides Creeping Bellflower
Chrysanthemum leucanthemum Ox-eye Daisy
Coronilla varia Crown Vetch
Cortaderia jubata Purple Pampas Grass
Equisetum hyemale Horsetail
Euphorbia cyparissias Cypress Spurge
Elymus arenarius Blue Lyme Grass
Eupatorium coelestinum Hardy Ageratum
Hemerocallis fulva Common Daylily, Ditch Lily
Houttuynia cordata Chameleon Plant
Imperata cylindrica Japanese Blood Grass
Iris pseudocorus Yellow Iris
Lantana camara Lantana
Lynchnis coronaria Rose Campion
Lysimachia species Loosestrife
Lythrum salicaria Purple Loosestrife
Miscanthus sinensis Silver Grass; Zebra Grass
Macleaya species Plume Poppy
*Mentha species*Mint
Oenothera species Evening Primrose
Persicaria virginiana Tovarà
Phalaris arundinaceae var. *picta* Ribbon Grass
Phyllostachys species Japanese Bamboo
Physostegia virginiana Obedient Plant
Polygonum species Knotweed
Tanacetum vulgare Tansy
Vernonia species Ironweed
